

CALL FOR APPLICATIONS

Job Code: JOBPTS2 / No. of vacancy: 1

Position: Project Technical Support II

Location: Nagpur

Duration: 3-4 months

Languages : English, Hindi and Marathi

Role Overview:

We are looking to engage temporary staff for our AIIMS project. The selected candidates will be part of a multidisciplinary team working on a national-level, multicentric study assessing blood lead levels in children across seven AIIMS institutes in the country.

Qualifications:

- Three years Graduate degree in relevant field + three years' experience
- PG in relevant subject/field

Key responsibility:

- Assist in the execution of field activities including participant enrolment, data/sample collection, and ensuring adherence to SOPs.
- Conduct data entry, cleaning, and preliminary analysis.
- Coordinate logistics for fieldwork including equipment, transport, and surveyor deployment.
- Maintain records and documentation of field activities and provide timely updates to supervisors.
- Assist in training and supervising Project Technical Support I staff during field operations.
- Support communication and coordination with local stakeholders and communities.

Remuneration - As per industry norms and dependent on skill sets

Application Procedure - Applicants should send their CV to hiringforbllstudy@pahleindia.org

Organisation Overview - PIF is a leading policy think tank, founded by Dr Rajiv Kumar, former VC, NITI Aayog and current Chairman PIF, in June 2013. Its motto is "Putting India First To Make India First." Over the last 12 years of its working, PIF has been able to successfully carve out a niche for itself and earn a reputation with policymakers as an independent, extremely credible institute that can be relied upon for producing high quality inputs for policy formulation.

Note: Only shortlisted candidates will be contacted for further evaluation. Pahle India Foundation is an equal opportunity employer and encourages applications from individuals of all backgrounds.
