

**Position: Research Associate**

**Location:** Itanagar

**Organisation:** Pahle India Foundation (PIF)

**Position Type:** Full-time

### **About Pahle India Foundation**

Pahlé India Foundation (PIF) is a public policy think-and-action tank working at the intersection of research, policy implementation, and partnerships to advance India's inclusive development agenda. PIF collaborates with government, industry, philanthropy, and knowledge partners to design evidence-based solutions aligned with the vision of a *Viksit Bharat*.

### **Role Overview**

PIF is seeking a **Research Associate** to lead high-quality economic and public policy research, support policy engagement, and contribute to the organisation's thought leadership. The role requires strong analytical capabilities, independent research skills, and a deep understanding of India's political economy and governance systems.

### **Key Responsibilities**

#### **Research & Policy Analysis**

- Conduct rigorous research and analysis on economic and public policy issues.
- Draft high-quality policy briefs, research papers, and analytical reports for internal and external publication.
- Identify, evaluate, and prioritise evidence-based policy ideas based on impact, contextual relevance, and administrative feasibility.
- Assess policy options with a clear understanding of state-level political and administrative realities.
- Analyse relevant datasets and interpret findings to generate actionable policy insights.

#### **Stakeholder Engagement & Collaboration**

- Engage with government departments, policymakers, industry leaders, and academic institutions to advance research objectives.
- Organise and participate in policy discussions, roundtables, and conferences.
- Collaborate with internal research teams to ensure alignment with institutional priorities.

### **Communication & Thought Leadership**

- Contribute to public communication efforts, including media outreach, op-eds, and knowledge dissemination initiatives.
- Support the organisation in strengthening its thought leadership in economic and public policy.

### **Qualifications & Experience**

- Master's, MPhil, or PhD in Economics, Public Policy, or related fields from reputed institutions.
- Experience in economic research, public policy, consulting, academia, or think tanks.
- **Strong preference for candidates from or familiar with the North-East region**
- Strong understanding of India's political economy, governance structures, and administrative systems.
- Proven experience in research writing and publication.
- Strong analytical, data interpretation, and research methodology skills.
- Excellent written and verbal communication abilities.

### **Preferred Qualifications**

- Familiarity with or experience working in the North-East region.
- Experience working with think tanks, academic institutions, or government agencies.
- Knowledge of regional language/dialect (advantageous).
- Exposure to statistical/econometric techniques.

### **What We Offer**

- Opportunity to work at the forefront of public policy research.
- A collaborative and mission-driven work environment.
- Engagement with senior policymakers and institutional stakeholders.
- Competitive remuneration based on experience and skill set.

### **Application Procedure** - Email the following to [hrrsupport@pahleindia.org](mailto:hrrsupport@pahleindia.org)

- CV
